WESTERN SCHOOL PHOTO SERVICE

LUBBOCK, TEXAS

DEAR STUDENT:

We have endeavored to give you the best group picture possible. We hope that now and in the years to come that you enjoy this picture as much as we have enjoyed taking and finishing them for you.

We would suggest that you print the names of your class members on the back of the picture, so that you may always remember the names of each class mate when your school days are over.

Your teacher has the number of this picture and should you desire any more of them they may be reordered by the picture number.

We will appreciate it if you will return the money or the picture to your teacher within three days.

"The joys I have possessed are ever mine, out of thy reach, behind eternity, hid in the sacred treasure of the past, but blest remembrance brings them hourly back."

The treasure, which we, the 1949ers, bring you, cannot be measured in terms of wealth, like that of the '49ers of a century ago, but rather in values without price. We have gleaned for you a few of the shining moments of this school year. May time make them ever more bright and glowing until they become for you, truly an enduring treasure of golden memories.
